Dear Church Family,

We continue to deal with uncertainty and difficulty in our community because of COVID-19. As promised, your church staff and deacons have monitored the situation since March and have prayed and discussed a reopening strategy for 10:30 worship service only on Sunday, June 7. The 10:30 livestream will continue as usual.

We understand no strategy is perfect and all of us will not agree about the best way to move forward. Please know that if you are showing symptoms of the virus or are not comfortable returning to in-person worship because of health issues, uncertainty, or because of the rules, then please stay home and continue to join us online. We still love you!

Here is the first step in returning to in-person worship at MFBC:

Step 1: In-Person Sunday Worship Gathering Only @ 10:30 a.m. June 7

- Chairs will be arranged by social distancing guidelines in sanctuary and FLC.
- Livestream continues and will be shown also in FLC for the overflow crowd.
- Continue to follow social distancing and sanitizing guidelines as directed by the CDC like greetings, offering, fellowship, etc.
- The wearing of masks is required unless you are part of the on-stage team. Please bring your own. If your child is under 10, it is your decision to have them wear a mask or not. A limited number of masks will be provided.
- Continue to wash or sanitize hands often. Sanitizing stations will be provided.
- No coffee café, on-campus small-group meetings, children's church or nursery provided
- If your class wants to meet sometime during the week, we encourage you to meet in the parking lot as you follow social distancing guidelines or use an online service such as Zoom.
- Again, we encourage the vulnerable population of those with health issues or uncertainties to stay home and join us online.

*We will continue to monitor the situation weekly.

I look forward to worshipping with you on Sunday, June 7. Continue to pray for revival and an end to this pandemic. Call us if you have questions.

In Christ

Bro. Matt
